Grading for Ed 2111: Tutor Aide Practicum

There are three elements of the Tutor Aide: Observation Record, Technology Inventory, and Final Evaluation of Field Experience. All three components must be completed to receive credit. Additional reasons for not receiving credit for Ed 2111 include the following:

- If a student is asked to leave the field experience for any reason, he/she will not receive credit.
- If the hours are not complete (as certified by the time card signed by the cooperating teacher), the student will not receive credit.
- If an observation record or technology inventory is not submitted, the student will not receive credit.

When all elements are submitted and graded, the final grade of Ed 2111 must be C- or higher to receive an "S" score for this course.
