

SeEd 4102: Teaching and Learning Strategies
Peer Teaching II Reflection

NAME _____

Reflect on your peer teaching, view your video, and review the comments from your peers and teacher. Write a 1-2 page (single-spaced) reflection, in essay form, on your lesson. Provide detail and depth in your discussion. Consider the following:

- Objectives (what were your objectives, were they met, how do you know);
- Communication (rate and pitch of voice, volume, clarity, enthusiasm);
- Engagement (creative activities, asking good questions, involving students in lesson);
- Organization;
- General Effectiveness of Lesson;
- Your Teaching Strengths;
- Comments About Peer Feedback;
- Ideas for Improvement.

Attach feedback evaluations to this sheet and turn in your self-reflection within a week of your teaching.
