

Block II  
Take Home Assignment  
Classroom Management

1. What is the difference between discipline and classroom management?
2. Many teachers believe that preventing misbehavior is one of the most important parts of a classroom management plan. What do you think? What strategies will you use?
3. What strategies might you use to manage inappropriate behavior? What have you seen your practicum teacher do? Did you agree or disagree with the action?
4. How can you work toward a caring community and instilling self-discipline in students?
5. How do you manage your stress? What outlets do you have to express negative feelings?

10. Where on the following scale do you place yourself? How does this position work for you?

|-----|  
laid back strict

11. How can a teacher or a school get parents and the community involved in education?

12. How actively will you attempt to teach social skills and morality? Why do you take the stance that you take?
